President's Message

Hi Everyone...As President of Cape May County Education Association, I wanted to let you know that it's election time again. Your Executive Committee is the team that is responsible for putting together our calendar that is filled with professional development workshops, legislative meetings, "meet & greet" opportunities with legislators, as well as up-to-date workshops on the latest evaluation, bargaining and job related issues. Our team consists of elected officers, congressional and government-relations committee members and a delegate assembly member—who represents Cape May County at the NJEA Delegate Assembly meetings. Each position is elected for two years and this year we are electing the following positions: NJEA Executive Committee, Vice-President, Treasurer, Corresponding Secretary and Delegate
